A MESSAGE FROM THE COMMUNITY LEADER

We celebrate each and every one of you — our donors, volunteers, and supporters. This past fiscal year, more than 450 individuals, companies, organizations and foundations chose to support L’Arche financially or in kind. Another 252 people signed on as volunteers in the houses, for events, and for a variety of other needs. In the following pages, you will find stories about core members, volunteers, friends, and assistants — the dynamic fabric of our community.

L’Arche Jacksonville is active and involved in what’s going on in the city and elsewhere. Cheering at sporting events, attending plays, concerts, movies, dining out, making friends with the baristas at a favorite coffee shop, and participating in retreats around the country.

All of this would not be possible without you. The gifts of your time and resources meet the gap left by government funding so that life for the core members is indeed fulfilling and meaningful. I’d call that inspirational impact!

Melanie Saxon
Community Leader/Executive Director
These special people with intellectual disabilities live as family in four houses clustered around a community center. Our core members have valuable lessons to impart to everyone they meet. Faith, patience, love, and joyful spontaneity make them, in L’Arche language, true “teachers of the heart.”

AT THE HEART OF L’ARCHE:

CORE MEMBERS

♥ These special people with intellectual disabilities live as family in four houses clustered around a community center.
♥ Our core members have valuable lessons to impart to everyone they meet. Faith, patience, love, and joyful spontaneity make them, in L’Arche language, true “teachers of the heart.”

“**My heart, my heart, my heart.**”

That’s how Mary Rath describes her love for L’Arche Jacksonville and Claire McGrath, Community Life Coordinator.

In January of this year WJCT, the local PBS station, interviewed both Mary and Claire for the podcast “What It’s Like” to discuss their recent experience with StoryCorps®, the Peabody Award-winning oral history project featured on the NPR series, Morning Edition. Conversations recorded by StoryCorps® are archived in the American Folklife Center at the Library of Congress. During the interview, Mary and Claire discussed how they first met, what they’ve experienced together in shared life, and the love and friendship that has developed between them.

Mary shared that, while she has lived in other “homes,” it wasn’t until she came to L’Arche Jacksonville that she truly felt safe and loved. She said that people with intellectual disabilities have the same feelings as people without disabilities: The same fears, hopes, desires, wants, and needs. Mary went on to say that her faith is important to her. She prays a lot; she feels comfortable praying with her community at L’Arche Jacksonville. She especially likes Fr. Boddie, pastor of Christ the King Catholic Church, who visited her when she was in the hospital for treatment and almost died. She recovered and “thanked Jesus for bringing me back to life.”

One of Mary’s favorite pastimes is going for coffee with Claire and other members of Greatfull House. Her favorite coffee is Hazelnut with cream and sugar and she values her “coffee time” with friends. She values everyone at L’Arche Jacksonville and wants everyone to know how wonderful L’Arche Jacksonville has been to her. Mary’s story and words of encouragement, love, and friendship are forever stored in the Library of Congress and in our hearts.

Listen to their interview: https://news.wjct.org/post/6-mary-and-claire

Rainbow Workshop

Jeffrey Delivers on a Special Request

Rainbow artist and core member Jeffrey, known for his whimsical paintings of animals in particular, was commissioned by Carol McLaughlin to create a painting of her sweet puppy, Izzie. Jeffrey was very happy to oblige!

Making a Difference Every Day

Our day training program is a hub of creativity for 14 core members plus 6 non-resident core members. To showcase their talents, once a month the artists’ work is featured at the Riverside Arts Market (RAM) and every November a variety of unique, hand-crafted gifts are sold at the annual Holiday Extravaganza — an event hosted at the Rainbow Workshop that includes wine and elegant hors d’oeuvres.

We’re so pleased to report that in May 2019, L’Arche was the recipient of a $30,000 grant from The Jim Moran Foundation to help fund the Rainbow Workshop program.
St. Paul's CC Volunteers Shine

The room décor of Greatfull House is receiving a sprucing up thanks to a group of very talented ladies from St. Theresa’s Circle at St. Paul's Catholic Church, Jacksonville Beach. The change is evident as you enter the house. New curtains adorn the two foyer windows and a valance with a delightful new print livens up the large dining room bay windows. Check it out — there’s more!

The circle’s very first project was a remarkable “fidget blanket” designed for core member Joy’s busy, restless hands. A variety of objects and textures are attached to a beautiful, handmade quilt — just the thing for fidgety fingers.

Last, but not least, the Knights of Columbus - Fr. Murphy Council #5535 and Fr. Vincent Capodanno Assembly 3457 - are providing the funds for this project. And the CCW presented a check for $1,000 to L’Arche in May. Thank you, St. Paul’s!!

HOW YOU IMPACT OUR MISSION

Golf Classic

You, the golfers, sponsors, and volunteers, are the heroes of this most important annual fundraising event. Your participation is critical to meeting our goal of $100,000 for community expenses not covered by government funding.

We Are Family Fund (our Annual Appeal)

Maintaining and sustaining a community of four houses, 17 core members, and 30 assistants is a big task. As a WAFF member you value our mission to ensure that the core members receive the respect and support they need. Since 2011, your gifts to WAFF now total nearly $500,000!

Assistants Fund

The Assistants Fund was established in 2014 in answer to the increasing cost of care as the core members age. Your sponsorship of an assistant for a day, a week, a month, a year... makes a huge difference!

L’ARCHE AUXILIARY SUMMER TREAT

In keeping with a summer tradition, the L’Arche Auxiliary hosted a much anticipated ice cream social in the Blanchart Community Center in June. We are grateful for the Devenny family’s generous in-kind donation of Bruster’s signature creamy fresh ice cream and sundae toppings!

The Auxiliary, a committee of volunteers, meets monthly on the 2nd Tuesday at 6:30p and welcomes visitors and new members.

Clockwise: Core member Tommy knows how to make the most of an ice cream cone; assistant Destiny knows how to create an awesome sundae; and the Auxiliary members know how to dish it out!
Most people are familiar with the expression, "It's the little things that count." Taylor Fuller certainly knows this. With a Bachelors Degree in Rehabilitation from Emporia State University in Kansas, she understands that major accomplishments often happen in the smallest of ways. In the fields of occupational and physical therapies, it is the tiniest improvements that lead to huge progress in doing new things that make life meaningful. Her journey to L'Arche Jacksonville began when she worked with a young man named Samuel who had a severe form of autism. Samuel could not communicate verbally and had a difficult time expressing his needs. In her work with him, Taylor learned to communicate with Samuel using an iPad. Together, they created a type of language using colors and YouTube videos.

Later, Taylor found her way to Cleveland, Ohio where she worked at Maggie’s Place, a nonprofit serving pregnant women, young mothers, and their children. Maggie’s Place provided training for volunteers and staff through L’Arche Cleveland. As a result of her experience at L’Arche Cleveland, she decided to pursue a new vocation at L’Arche. Her spiritual journey brought her to L’Arche Jacksonville where she serves as an assistant sharing life with our core members in Peace House. Taylor says, “It’s the little things that bring out the most joy, humor, and spiritual bonding with the core members. Sharing special moments, a simple hug, a laugh, a smile… these are the God moments when you really feel connected…”

All of our assistants share a common desire to know God through service to our core members. Donor support of the Assistants Fund helps to make this happen. Without the Assistants Fund, L’Arche Jacksonville would be unable to provide the quality of staff that delivers unparalleled service and love to our core members. Because of their generosity, we all become heroes through shared lives of mutual grace and mercy.

L’Arche standards for care are much higher than what is required by law and cost more than government funds provide.

Our 22 full-time assistants earn a small salary plus 100% medical, dental, and life insurance. They are dedicated men and women of all ages, and come to us from many different countries and from cities and towns across the U.S. Even after they leave for graduate school or to start careers, it is common to stay in touch with the core members who changed their lives at L’Arche Jacksonville.

Through the Assistants Fund many have been blessed by the sponsorship of a portion of their daily life. Each day, each week, each month that is directly supported by your generosity, eases the financial challenge of providing top quality care while sharing a simple life with the core members.
**OUR DONOR TRIBUTES**

We gratefully acknowledge tribute gifts made to honor the life events of friends and families. Contributions have been made in memory of a loved one, or in celebration of special events such as birthdays, anniversaries, weddings, etc. For all tributes, L’Arche notifies the recipient of the gift and the donor receives a grateful acknowledgment of the tax-deductible gift.

*The following tributes were received between 7/1/18 and 6/30/19. Please let us know if there are any omissions or errors.*
