L'Arche Jacksonville

Founded in 1985 as Harbor House by parents and friends of adults with intellectual disabilities, L'Arche Jacksonville joined the International Federation of L'Arche in 1992 and is the only L'Arche community in Florida.

At L'Arche, our adults with an intellectual disability are known as **core members** because they are the heart of the community. House **assistants** are involved in their daily activities, creating a home that supports and encourages core members to share their gifts within the house and with you.

Our day program, **Rainbow Workshop**, is a hub of creativity for 14 core members and six non-resident core members from the Jacksonville area. Directed by trained staff and caring volunteers, the workshop is designed for people whose talents are not a good match for typical day training programs. Our busy artists take great pride in creating cards, beautiful paintings and ceramics, mosaic tile art, wall art, and jewelry for sale to the public.

Your **tax-deductible contribution** goes directly to serve the needs of the core members of L'Arche Jacksonville.
