# We need your help to ensure our future.

Thank you for being part of the first 25 years of L'Arche Harbor House. Together, we have created a safe harbor for our core members, a place where people with intellectual disabilities can share their gifts, becoming, in the language of L'Arche, "teachers of the heart."

As we look to the future, your support is more important than ever. Funding cutbacks are certain in the coming years. Meanwhile, income from grants is dwindling and fundraising is increasingly difficult – daunting challenges for a community that relies on contributions for nearly 35 percent of annual budget!

The **We Are Family Fund** is a bridge to the next 25 years of L'Arche Harbor House. It connects our extended family – families of our core members, former assistants, volunteers, supporters and friends of the community – in an ongoing initiative to keep our L'Arche Harbor House "ark" afloat. **Your investment of \$25 or more per month – or annual gift of \$250 or more** – will not only affirm our mission, but also help sustain it.

**Our fundraising goal is \$250,000.**
