

**BUILDING RELATIONSHIPS OF
MUTUAL CARE AND SUPPORT**

Honoring Our Assistants

Love is Patient, Love is Kind 1 Corinthians 13:4

Your investment in the *Assistants Fund* honors the loving commitment made to the core members by these dedicated men and women. We set the bar high because the needs of the core members always come first!

- Assistants live as peers with the core members, reminded that no one is greater or less than another, and all have gifts to share.
- Assistants and core members work, play, and pray together.
- Assistants and core members participate in meal preparation and household responsibilities.
- Assistants participate in Formation – exploring L'Arche principles, such as humility, patience, forgiveness, acceptance, and relationships.
- Our compensation package for assistants includes a salary plus health, dental, and life insurance.

Help Sponsor an Assistant

The average compensation for an assistant is \$31,200 per year. However, **only a portion of this cost is covered** by government funds.

L'Arche is committed to a much higher level of care than required; please partner with us as a sign of **faithfulness and hope**.
