REPORT 2025

A MESSAGE FROM THE COMMUNITY LEADER

Forty years ago – on Mother's Day in 1985 – the **dream** of a group of parents of adult children with disabilities was realized at last. The doors of Harbor House were opened. A mere seven years later, it would become L'Arche Harbor House; and officially renamed L'Arche Jacksonville in 2015.

Accordingly, we have taken every opportunity this year to celebrate this amazing milestone of 40 Years! CELEBRATION is one of our core values after all: daily affirmations; monthly community get togethers; anniversaries; birthdays; events like the Golf Classic and Holiday Extravaganza; art shows; sporting events; ...the list goes on! We know how to celebrate and count every blessing with an abundance of gratitude.

For example, a special anniversary project to update the courtyard area resulted in a new gazebo and fully accessible gathering space for everyone. It's now the perfect location for outdoor activities and it wouldn't have happened without the support of you, our friends.

To cap off the year, the **Ruby Jubilee Garden Party** provided a fantastic atmosphere (complete with a riot of gorgeous flowers, beautiful white tents, ...and a chandelier!) to welcome families, friends, and supporters on the May anniversary of our founding.

We have many hopes for the future and welcome more reasons to celebrate the unique community of L'Arche Jacksonville with you.

You make it all possible...**thanks for keeping the dream alive!**

A JOURNEY THROUGH 40 YEARS

Great friends, community members, donors, and directors of L'Arche Jacksonville:

Nancy Powers, Karl and Dottie Klein, Dianne Welch, Amy Finn-Schultz, and Lorie Strange

Larry presents a hand drawn Rainbow made by core members to Warren Powers at the Ruby Jubilee.

The L'Arche Jacksonville community celebrated our 40th anniversary this year. On May 10 we honored the Powers Family at the **Ruby Jubilee**.

The Powers Family has been a vital part of our community through the giving of their time and treasure. Their generosity has nourished our growth and provided opportunities to share our gifts and mission with the First Coast throughout the years. This event was filled with joy, memories, and a unique storyboard experience depicting the first 40 years of L'Arche Jacksonville.

Yes, there was a little rain early on, but it never stopped us from having a great time at the garden party: with hors d'oeuvres; tours of the homes; and fellowship throughout the community. A significant portion of the program highlighted our community history with a special skit performed by core members and assistants, past and present. Friends from all over the United States came to celebrate this momentous occasion.

May 10th was also bittersweet because founding core member Joy Miller passed away just days before the 40th anniversary party. Her spirit and presence could be felt throughout the Ruby Jubilee as we remembered her feisty strength and constant smile.

We are incredibly grateful to our sponsors, donors, volunteers, families, and friends who made this event possible.

COLORS OF THE RAINBOW

Lofli & Tommy make sure the burgers on the grill are made with love for Extravaganza guests

Walk of Fame (right) - Journey through the Rainbow and discover the gifts and talents of the Rainbow Workshop Artists!

L'Arche Jacksonville's day program, the Rainbow Workshop, unveils the talents of 20 - 25 individuals with developmental and physical disabilities 5 days a week. The synergy between assistants, volunteers, and core members showcases the dedication, patience, and life skills that bring out the talents of each person.

Throughout the year, First Coast community organizations welcomed core members' artwork for display and sale. They faithfully spread the L'Arche mission while raising much-needed funds. We are honored to have such loyal support from **Happy Brew, St. John the Baptist Catholic Church, Unitarian Universalist Church of Jacksonville, Christ the King Catholic Church, Our Lady Star of the Sea, and Progressive Spirit United Church of Christ** (formerly Arlington Congregational Church), among others.

The **Holiday Extravaganza** was an exciting time for the Rainbow Workshop. Core members work year-round to create paintings, mosaics, ceramics, jewelry, holiday cards, note cards and much more to be sold at this annual November event. **The 2024 event was a huge success generating net proceeds of \$26,649 with an attendance of over 230 guests.**

BELONGING AND BEYOND

Stories like the one below are exactly why **Clayton King** (Modern Woodmen of America) fell in love with the L'Arche Jacksonville community and felt a strong call to action. His vision for cultivating more stories, friendships, assistants, and donors to L'Arche Jacksonville has refreshed our commitment to the mission and values of our community; leading us to reimagine the **Assistants Fund** - now known as **Channels of the Ark**. We believe authentic, welcoming relationships in family-style homes are a vessel impacting how you view disability, inclusion, community, and friendship.

A Place Called Greatfull

By Lia Moessnang - Greatfull House Assistant 2024-2025

When I first heard the name **Greatfull House**, I thought it was a misspelling. But after ten months of living and sharing life here, I realize: **it's absolutely perfect.**

I came from Germany to Jacksonville, Florida, to volunteer at a L'Arche community – not knowing that a house with five core members and a few assistants would become one of the most meaningful places I've ever known. The spelling, as it turns out, isn't wrong.

It's just honest. Life here is full of greatness – and full of gratitude.

I came to L'Arche not knowing what to expect. From the moment Sonia (one of our core members) and Taylor (another assistant) picked me up at the airport, I felt like I belonged. There was something so warm and easy about it – like I had known them forever. I didn't plan to stay longer than 5 months, but I loved it so much, I extended my visa. That's how special this place is.

Life at Greatfull House isn't about doing big or fancy things. It's about the small moments that stick with you – like listening to Harry Styles with Sara and dancing around the living room, singing with Kathy (loud and proud), chatting with Ann about anything and everything, or watching movies with Larry.

And then there are the peaceful walks with Sonia, when sometimes we don't even have to say much – just being together is enough.

What makes this house so unique is the bond between the assistants and the core members. It doesn't feel like work. It feels like being part of a family – one that laughs a lot, supports each other, and finds joy in the everyday stuff.

I've learned more here than I ever expected. About slowing down, being present, and appreciating people for exactly who they are. This time at Greatfull House has changed me in the best way – and I'll carry it with me wherever I go.

Lia and the Greatfull House core members enjoyed an afternoon out at the movies.

L'Arche Jacksonville Auxiliary

The L'Arche Jacksonville Auxiliary invites you to JOIN THE FUN and make an impact! Our Auxiliary is dedicated to volunteering time, supporting L'Arche campaigns, and driving successful events throughout the year. This year members assembled direct mail pieces, procured auction items, assisted golfers at the 35th Golf Classic, hosted guests at the Holiday Extravaganza, and raised funds for the community by volunteering at The Gate River Run. They are a vital part of our success.

Auxiliary Members: Eileen Bain, John Farnie, Jeanne Vliek, Cheryl Evers, Maripat Meide, Myrna Stokely, Nancy Smith, Pat King, and Pam Chappell
We will dearly miss longtime Auxiliary member, Juanita Beidelman, who passed away while this Impact Report was in production.

LIVING THE MISSION

The L'Arche mission **thrives** thanks to volunteers who give their time, treasure, and heart. Since the very beginning, volunteers have been essential to the community: Escorting core members to visit with friends, dining with the community, sitting with and calming our most vulnerable, participating in community events, and simply being the source of endearing conversation. Friends like Dottie Klein (first Executive Director), Mary Updike, Dianne Welch, Jim Sebesta, Mary Jane Mercing, Mary Lewis, Nancy Smith, and Jeanne Vlieg have led our community to provide family-style homes with grace and understanding throughout our 40 years. We are inspired by our long-term friends who continue to share their gifts and set examples of fidelity, leadership, and transformation.

The Notre Dame Club of Greater Jacksonville – alumni and friends performed their annual service day to help beautify the grounds in preparation for our Ruby Jubilee party. They strive to help all members and friends to thrive in faith, service, learning, and work; and inspire them to act as forces for good in the Jacksonville community and beyond.

Amazing Volunteers and Students

Volunteers from **University of Notre Dame, Bishop Snyder High School, College of the Holy Cross, Urban Plunge, and Gamma Sigma Sigma** gave their time to clean, organize, and build friendships with the L'Arche community. Bishop Snyder students assisted in many of our community events such as the Holiday Extravaganza and the Living Nativity while Gamma Sigma Sigma

cleaned up our courtyard in preparation for the Ruby Jubilee. The Notre Dame students spent their summer participating in daily living in the homes and the Rainbow Workshop, while also taking time to complete projects. Six Holy Cross students on spring break devoted countless hours to daily

Students from Urban Plunge planted flowers and cleaned up landscaping at Sunflower House

activities in the houses and the Rainbow Workshop, and even volunteered at our Golf Classic. Holy Cross student, Lauren Ross, so moved by the relationships she built in community over spring break, returned to L'Arche Jacksonville after graduation to become a full-time assistant, embracing those with intellectual disabilities.

Lauren Ross and Lisa became friends over spring break.

Dottie Klein and Ann participate in a skit for the Ruby Jubilee - both have been with us for 40 years!

Jim Sebesta ran the show at our 35th Annual Golf Classic - did you know he's been on our Golf Committee for more than 30 years?

GATHER, GARDEN, AND GRILL AT THE GAZEBO!

*The perfect place to gather, garden, and grill... our new Gazebo provides a fully accessible outdoor space for **everyone** in the community!*

We thank the Powers' Family Foundation for their continued support of L'Arche Jacksonville. This spring, a match campaign – **Springing Forward to a New Gazebo** – assisted in raising funds to renovate the courtyard. Friends of L'Arche jumped into action and donated dollars to fulfill the match guarantee.

As core members embrace their new age, a revitalized courtyard centrally located amongst the homes and the Blanchart Community Center will improve the quality of life of the core members, assistants, and staff while promoting fresh air and accessible outdoor living for the community. Having this comfortable addition allows core members and assistants to gather, garden, and grill at the new gazebo!

Look for details in upcoming newsletters for a community barbeque/chili cook-off during the fall season.

IN MEMORY OF

Farewell to Joy (1955-2025)

For 40 years Joy remained a matriarch and constant presence in Peace House, touching the hearts of everyone who walked into the community with her quick wit and maternal compassion. She loved connecting with people over a shared glass of wine; talking about what life was like growing up in Jacksonville; going on outings with her fellow housemates and assistants; and most importantly talking about and sharing her love for her son, Matt.
